

Dear guest,

we have bikes of different brands, models and sizes.

We'll do our best to give you a bike according to your personal measurements.

Complete our **Bike Fit Form** below. Then send to email: booking@lakesnorthernitalybiketours.com

You can have the bike sets up, ready to ride when you arrive in hotel.

Write your own bike measurements, so our mechanic will set up a bike according to your precise specs.

We ask our guests to have a little bit of flexibility on bike fit, as bike measurements and set up may not always be exactly like your own bike at home.

We suggest to bring your helmet and pedals.

However we can give you the pedals if you haven't your pedals.
